Gentlemen :-

I saw your advertisement in a copy
of the 'Numismatist' and decided to write you.

I am collecting U.S. Cents of 1877 for a border for
some other coins to be framed and need about
a hundred more. As they seem to come so slow I
decided to look outside of Buffalo for some.

Will you kindly let me know if you have a
small lot or big lot of these for sale - any
amount will be appreciated - and oblige

Yours very truly, Wm. E. Heiser.

Messrs S H & A Chapman,
Gentlemen:-

Your favor received. I will take those 30 fine 1877 Cents you mention at 20 cents each, so please send them to my address. Enclosed find money - order for \$6.00 to pay for same. Also postage for registration.

Now perhaps we might make an exchange if you desire. Some time ago I bought a lot of rolled cents thinking I might exchange sets of these with some collectors for other coins, but I know of only 3 collectors at present, so decided to write you. I think a dealer could retail these at a good profit as they are a novelty.

These cents are 20 x 34 millimeters and in fine condition. They were rolled at the different places mentioned below for six cents each.

I will also name the design and number I could furnish of each. I enclose a sample of the plainest design, you may keep it. If you think you could use these kindly let me know what you would offer in a single good coin of any kind — platinum, Swedish copper plate - small size — Extra large size coin, or United States,

Here is the list of what I could furnish:

<u>Rolls at</u>	<u>Design</u>	<u>Pieces</u>
Chicago,	Looping the Loop, the Chutes ———	16
"	Armour variety, 4 small pigs riding on the back of 1 large pig. ———	16
New York.	Six Day Bicycle Races ———	14
Niagara Falls.	The Waterfall ———	18
"	" Suspension Bridge ———	18
Pan American Exposition	Temple of Music ———	18
"	Building in which President McKinley was shot ———	1
"	" Electric Tower ———	18
"	" Government Building ———	16
"	" Manufacturers & Liberal Arts Bldg. ———	16
"	" Buffalo ———	16
"	" Alt Nurnberg ———	16
"	" Geronimo ———	16
Lucky Cent	Horseshoe & 4 leaf clover ———	18
Total		216 pieces

These will readily sell at 10 cents each but I am not a dealer. If you don't care for all, I can easily divide them. Trusting to hear from you.

I remain, Yours very truly,

Wm. E. Heiser,
